

Member Covenant

The State of California requires non-profit corporations such as churches to register an official membership which conducts at least annual meetings, and has a voice in its own government. In recognition of that, and out of our intention to serve Christ as His Body, we maintain an official membership of people who believe God has called them to be involved in serving Him through LifePoints Church and we refer to it as a yearly renewable Covenant Membership.

While we offer covenant membership, it is in no way required for fellowship in this church, and certainly isn't required by God for salvation. We welcome all who love Christ and/or who are seeking Him to attend our church's meetings. Covenant Membership, however, is an official commitment of loyalty and service to this church, and means accepting responsibility before the State and toward this church body for its mission and ministries. No more or less is expected of those who would be covenant members of this church than Scripture teaches should be expected of all who call themselves followers of Christ.

Here are some questions pertinent to covenant membership in this church:
Are you living in obedience and dedication to Christ? Are you willing to be involved in a regular ministry of serving in some way in or through the church? In dependence on God's promises, will you faithfully tithe (at least 10% of your income) in Biblical support the ministry of LifePoints Church? Will you pray for the people of LifePoints and the effectiveness of our witness as we seek to serve and be the light of Christ in the community?

If so, you are welcome to become a covenant member of the church. After completing the information requested on the other side of this page, it can be turned in at the information window. You will be contacted personally within a couple weeks to confirm your intentions and answer any questions you may have. If you can't answer all of them affirmatively you are still welcome to express interest, and someone will be happy to talk with you about it.
